The Court's staff confirmed that this application is made without objection from the Government. The application is GRANTED. The Defendant should be released as soon as possible - but not without the 30-day supply of his medication. Defense counsel shall make his best efforts to arrange for the Defendant's release and to help the Defendant comply with the conditions of his release set forth above.

A conference is hereby scheduled for March 8, 2021, at 3:30 p.m. (Unless and until the Court orders otherwise, that conference will be held in-person, but that is obviously subject to COVID-19 concerns.) The Clerk of Court is directed to terminate Doc. #58. SO ORDERED.

A handwritten signature in black ink, appearing to read "Juan M. Martinez", is written over the date.
